### **PLANT A ROW**

Thank you to all who contributed and made the first year of this community service project an amazing success! To date, 3,434 pounds of fresh fruit and vegetables have been donated to the Bonner County Food Bank! A big round of applause goes to Ann Warwick whose vision and effort helped to feed the less fortunate in our community. It's not too late to donate! Bring your produce to the food bank and request a "Plant a Row" receipt.
