President's Note

10/13

This month's note will be brief as I am out of the country and without many communications with my friends in northern Idaho. I assume that cooler weather is moving into the area and that you are all busy putting your gardens to bed for the winter. This is a great time to reflect on the successes of the season and to take note of the things that worked well. For me, it is never too early to start planning for next year's garden.

I will be working on identifying our 2012 projects over the next couple of months with a continued focus on education, community service and camaraderie. Please let me know if there are specific projects you would like to have reviewed. Your input is very important in setting our agenda.

In the meantime I have had an opportunity to view some lovely gardens the last few weeks in both Spain and Portugal. I am sending along a couple of pictures of interest.

"I love the fall. I love it because of the smells that you speak of; and also because things are dying, things that you don't have to take care of anymore and the grass stops growing." Mark Van Doren

BCGA Membership Meeting, October 5, 2011

Present: Gail Swan, Gail Swan, Ale, & Irene Allen, Penn Barton, Hit O'Connell, Cecelia Eldred, Genna Gertus, Louise Fennimore, . Ilie - i-cotte, - Linda Gording, - Ann Piet-

& Irene Allen, / vice-president, called the meeting to order at 7:08 a.m.

The September minutes were approved.

Treasurer's Report, Penn Barton? K, 2=J. The (ade plant was sold. It had been part of a silent auction at the August yard sale.

Penn Barton asked about the benefits of belonging to the Chamber of Commerce, because we pay a membership fee of \$110. Benefits of this group were discussed.

Committee Reports:

Home Hort Series, Gail Swan, chair? In the absence of Gail, Gail Swan, alereported that there are fewer people signed up for the classes. The mushroom class this Saturday is full, however. \$ e continue to use PayPal as well as other means for registration, and the receptionist in our office has also agreed to accept registrations as well.

Potlucks, : Ann \$ arwick and Cecelia Eldred, co-chairs? The potlucks are over for this year. \$ e are / er4 happy with the turnout, and hope for more / olunteers next year.

Continuing Education, Gail Swan, chair? The speaker for next week will be , r. Huhl from the U. of I., speaking on The Science of G&Os. , r. Huhl will not be looking at pros and cons, (ust the science of G&Os). : comment was that it would be nice to have someone speak on the pros and cons of G&Os in the future. The group agreed, discussed possible speakers, and suggested a debate between two people, each taking a side.

School Gardens, Gail Swan, chair? The season is over for the school gardens this year. I hope , epot did come out to Hootenai . Elementary, and with / olunteers, cleaned off a strip of land behind the school parking lot to expand the number of raised gardens for next year.

Old Business:

2012 Board Nominees, Gail Swan, chair? : list was circulated with the slate of candidates. Ballots will be sent out to the membership for / oting.

Change in Board positions: : t the last meeting there was a suggestion that the bylaws be changed to begin including past presidents as / oting members of the board. : fter discussion it was decided to leave it the way it is for now.

Membership for 2012: & Irene reported that currently our organization has 88 paid members. \$ e are still waiting to learn if there will be a Master Garden training program provided by . Extension. Gail mentioned that Toni Fitzgerald has a , F, used for training for the G&G program at Washington State, and we could obtain this to use as a refresher course for renewing our own skills. \$ e were reminded that each of us has a , F, , provided by our local . Extension center, when we took our G&G training. Should I consider to not offer training, I consider Ferr . Extension would be the closest place to take the course. We understand that Hootenai County . Extension is closing.

Memorials for past members: In honor of two past members who have passed away, - Lois \$ the and Tricia & urph4, we will be doing a planting for each. Places for such an honor were discussed. It was decided that we would consider a particular place that meant something to the individual, and plant there a favorite tree or bush.

New Business: Gail - oc5e has submitted the question? Should we be responsible for keeping the Fair grounds landscaping free of weeds, to make sure it continues to look good? A consensus was that we should leave that responsibility to the fairgrounds maintenance group. It looks good currently.

Potlucks Idea: & Irene suggested that this winter we might have snowshoe potlucks, to get together for fun. Hit mentioned a greens cutting potluck as well, and members were encouraged to use their imagination for getting together this winter.

Miscellaneous: & Irene has a friend with two apple trees, green and red, and a pear tree. : ll are loaded with fruit and ready for the picking. & Irene can be called for further information.

The meeting adjourned at about 10:30 a.m.

I respectfully submitted,

- Ann Pietz, Secretary
